

NOTICE TO CONTRACTORS
Information Meeting
US-191 Over Colorado River Bridge
Moab, Utah

The Utah Department of Transportation (UDOT) is planning to construct a replacement bridge for US-191 over the Colorado River in Moab, Utah. The new bridge will be twin 1022' long cast-in-place concrete box girder structures, each 40' wide. Construction will be balanced cantilever segmental with form travelers, with short end sections on falsework. The anticipated advertisement date is October 2008. **An information meeting for interested contractors will be held Thursday, June 12, 2008** from 9:00 AM to 4:00 PM at the Grand Civic Center, 182 North 500 West, Moab, Utah, 84532. The meeting includes a project overview session, site visit, and afternoon segmental bridge construction seminar. Please call or send a facsimile to the contact shown below indicating the number of people from your organization who will attend. For additional information, contact: Mr. Kirk R. Thornock, P.E., Project Manager, UDOT Region 4, 1345 South 350 West, Richfield, UT 84701; PH: 435-893-4732, FAX: 435-896-6458.
